## MEDICAL PROVIDER ACKNOWLEDGMENT

Positive tests will receive histology, fungal and bacterial identification by PCR (Reflex test). This test is medically necessary for the risk assessment, diagnosis or detection of a disease, illness, impairment, symptom, syndrome or disorder. The results will determine my patient's medical management and treatment decisions. By my signature below, I indicate that I am the referring physician or authorized health care provider. I have explained the purpose of the test. The patient has been given the opportunity to ask questions and/or seek further counsel. The patient has voluntarily decided to have the test performed by Reditus Laboratories. As the medical provider, I am responsible for documenting applicable ICD-10 diagnosis codes.

## PATIENT ACKNOWLEDGMENT AND IRREVOCABLE ASSIGNMENT OF BENEFITS

The information provided on this form and on the label affixed to the specimen cup is accurate. The specimen identified on this form is my own. I have not adulterated it in any way. I am voluntarily submitting this specimen for analysis by my healthcare provider and/or third party lab. I authorize the lab to release the results of this test to the ordering healthcare provider. The lab is authorized to bill my insurance provider, or any payer, whether fully insured or self-insured, and I will irrevocably assign any payment of benefits, claims, rights, and interests related to the services my healthcare provider performed against any payer. I further authorize the lab and my healthcare provider to release to my insurance provider any medical information necessary to process this claim. I acknowledge that AIT may be an out-of-network facility/provider with my insurance provider. I am also aware that in some circumstances my insurance provider may send the payment directly to me. I agree to endorse the insurance check and forward it to AIT within 15 days of receipt as payment towards the lab services provided by AIT. I acknowledge that I am responsible for any amounts not covered by my insurer including any deductibles and co-payments/co-insurance. I understand that AIT may use my specimen and any testing performed on that specimen for research and development so long as the information has been de-identified pursuant to law. I am aware that all AIT Privacy Practices can be found at [www.healthtrackrx.com](http://www.healthtrackrx.com).
